

Privacy Statement

Polyflon Company is sensitive to privacy issues which concern our website visitors. This Privacy Policy outlines the practices employed by this website related to visitor privacy. Please e-mail us at privacy@polyflon.com you have any comments or questions about this Privacy Policy.

General Website Use

In general, you can visit polyflon.com anonymously, without telling us who you are or revealing any personal information about yourself.

Our web servers collect domain names and IP addresses from visits. These data are used in aggregate form to measure and assess how visitors use our website, which we use in turn to improve the website content.

Information Requests

If you request printed information via our website, we will need personal information such as your name and address to fulfill your information request. Polyflon does not share your personal information with others.

Cookies

The polyflon.com website does not use cookies.

Access to Personal Information

Access to personal information collected through our website is limited to Polyflon employees who need to access that information to fulfill the duties of their job. Polyflon may disclose personal information if required to do so by law, if we believe in good faith that it is necessary to comply with a legal process served, or in urgent circumstances to protect the personal safety of employees or members of the public.

Other Websites

The Polyflon web site may contain links to other sites. This Privacy Policy does not apply to these other websites, and Polyflon is not responsible for the content or the privacy practices employed by other sites
